December 2013

Dear Sir, **Reigate Society Report No.53** -with reference to 16, 17, 50, 51 and 52-
REDHILL:- AIRPORT EXPANSION and TRAFFIC INSPECTIONS

Recently my wife and I made a return visit to see friends and colleagues and to walk the walls in the City of Chester, whilst there we were impressed by the transport arrangements made to accommodate the growing population within West Cheshire and adjacent areas.

The revocation of the South East Plan (including transport) earlier this year may present us with difficulties in future for a competitive export economy. It is for that reason that I am drawing your co-ordinators attention to the need for the LA's to lease and co-ordinate their plans within this South London area rather than operate on a parochial basis.

I enclose a copy of Reports No.17 and 51 for the information of the appointed Inspector, other reports are available on the Reigate Societies web site

Yours Faithfully,

J.M.Chittenden Chairman of the Reigate Society Transport Committee
